FEE SCHEDULE**

YOUR ONE-STOP-SHOP

SGS BioVision offers Canada's most comprehensive spectrum of seed, grain & soil testing services.

We are YOUR ONE-STOP-SHOP for:

- **Seed Analysis Services**
- **Soil, Leaf & Water Services**
- **Grain Quality Assessment Services**
- **Greenhouse Analytical Services**
- **Forage and Feed Quality Services**
- **Inspection Services**

We are now part of SGS, the world's leading inspection, verification, testing & certification company with over 130 years experience in delivering agricultural services world wide.

Get **CONNECT**ed through our online portal that allows you to:

- **Submit Samples Online**
- **View Completion Dates**
- **View Test Results**
